# VIRTUAL LEADERSHIP EXPERIENCE

This year National FCCLA held the Virtual Leadership Experience! Starting from December 8, 2020, to February 12, 2021, members were able to listen to motivational speakers, learn about the eight National Programs, explore the four Career Pathways, participate in real world workshops, and attend the College and Industry fair with sponsors and exhibitors from around the country!

In addition, members were able to participate in Skill Event Demonstrations! From California, we have: Ruth Okeanya from East Union High School coming in 2nd Place in FCCLA Creed Speaking and Interpretation, Level 2; Diana Vasquez from Madera High School coming in 2nd Place in Toys that Teach, Level 2; Hunter Holguin from Madera South High School coming in 3rd Place in Culinary Knife Skills, Level 3; California School for the Deaf coming in 3rd Place in Culinary Arts; and Cordova High School coming in 3rd in Baking and Pastry.

"Virtual Leadership Experience has been one to remember especially since it was virtual this year. Nevertheless, I still gained so much knowledge regarding my future career and it gave me several tips that will help me achieve success for my future."

- Brianna Guerrero, Madera High School
