Julisa has always had a thrive for leadership positions. Since elementary school Julisa ran and was elected to both Student Council Secretary (4th) and President (6th). These leadership positions early on gave her the confidence and poise to run for Region Office. As a Region officer she has shown responsibility and perseverance. She has worked extremely hard with her Region Team, and will make a fantastic State Officer. Leadership has always been in her blood and I cant wait to see what more she will accomplish with her State Officer Team.
