I believe Keria would make a great Officer for FCCLA. Since she has been involved with FCCLA, she has become her committed and passionate about being able to develop real world skills that will prepare her for college and a future career, while being able to serve her community and help others. Keira is a mature, respectful, trustworthy, dependable, and motivated young lady, which make her a great leader. She is also an effective communicator with patience and empathy which helps her foster growth and development of those around her.

B: Chapter

Keira would make an amazing state officer she is a great leader and is always inspiring others to do their best. She is always serving and helping her community out. Keira represents a lot of admirable qualities like having good communication skills. She is trustworthy, organized, and an open-minded person that brings new and fresh ideas to a team. Overall I think Keria would be a great State Officer bringing a supportive and empowering environment to the team.

C: Advisor

Keira is a very diligent and detailed oriented person. She has shown this multiple times during her time as a Region Officer, in our Chapter and in my classroom. Keira is always willing to help when needed and will pick up others slack without skipping a beat. She is a great leader and gets our FCCLA members involved in leadership activities, lunchtime activities and after school activities. She also helped organize and run a canned food drive, FCCLA week activities, and actively participates in our Partnership Academy all while maintaining a 4.0 GPA. I have no doubt that Kiera would be an asset to the State Officer Team.
