Recommendations:

A: Parent Katie is an ideal candidate for FCCLA State Officer because she has demonstrated leadership since a young age including serving as FCCLA Chapter President and Region 9 Officer. She has a profound interest in career preparation and FCCLA's commitment to issues affecting youth and the community. Her determination, maturity and resilience helps her to thrive in new environments and the opportunity to serve as State Officer for an organization she has benefitted from so much would be an honor and privilege. Communication and interpersonal skills are some of Katie's greatest strengths. From a young age, she has actively pursued leadership roles in student government and various clubs, utilizing her talent for bringing people together. She is not only outgoing but is also unafraid to advocate for herself, striking a healthy balance between being coachable, respecting authority, and voicing her needs. If given the opportunity, Katie would take full advantage and commit wholeheartedly.

B: Chapter Kathryn (Katie) Takata is extraordinarily qualified, one can even argue overqualified. As president of our chapter, she is exceptionally diligent, responsible, organized, and most importantly friendly to every member. Whether she is planning our smoothly run club meetings or simply brainstorming ideas, she is inclusive of all board members and helps foster a sense of community amongst them. Katie Takata's dedication, heart, and leadership skills make her the perfect candidate for state officer.

C: Advisor Katie is an amazing leader who is extremely proactive and always ready to help others. She is positive and encouraging and follows through with everything in which she is tasked. In the three years I have had the pleasure of working with her she has demonstrated forward thinking and service leadership from day 1.
