Recommendations:

A: Parent: Tysen is very headstrong, persistent, and persuasive. When Tysen wants something, he makes it his goal to get that thing that he wants and sure everyone knows what he's doing and how he's doing it

B: Chapter: He's extremely outgoing, always the first to go invite people to come meetings, always has a smile on your face, and most of all always is at every meeting no matter what.

C: Advisor: Tysen is very communicative, has excellent leadership abilities, and is one of the most enthusiastic people I know. He's always punctual and never absent. I highly recommend.
