2023 STATE

In April of 2023, CA FCCLA had their state conference in Riverside, CA. Here people met others throughout all of CA and continued to build their networks. The officers were elected for the 2023-2024 year. And thus began the building of one of the best team bonds ever.

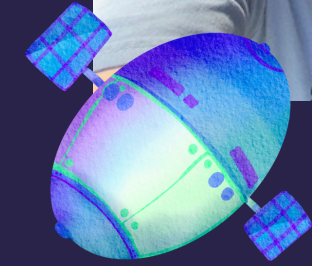

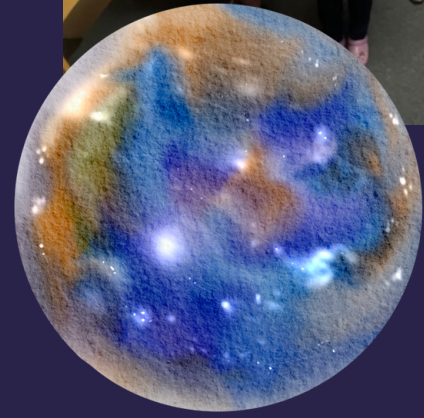

R.O.L.T.

In July from the 24-27, 2023, the region team went to Fresno for R.O.L.T. (Region Officer Leadership Training) where they built connections, made new friends, and expanded their network through participating in workshops, meetings and team activities. Our officers had the greatest pleasure in completing their training, winning “Most Encouraging Team” and winning the “Best Region Cheer”!

C.O.L.T.

On September 18, 2023 our region team hosted C.O.L.T. at John's Incredible Pizza in Roseville. Here, officers learned more about their position, things FCCLA has to offer, what FCCLA is and the opportunities FCCLA has to offer! Advisors also met with our amazing region coordinator. All in all, it was a tremendous success!

FALL MEETING

On October 28, 2023. We held our fall meeting at Argonaut High school. Us officers had a great time leading workshops, bonding with the region! We had the honor of having both the state advisor Mrs. Webb and the state vp Milee Bryant. Everyone in attendance learned new things and if they got lucky, they won something in the donation raffle. We all had a great time and were so excited to see each other again at spring!

SPRING MEETING

On February 3, 2024 the region officer team held the spring meeting at woodland high school. At the spring meeting, our wonderful people competed and so many of them have qualified for state. Those who did not compete made the world a better place in the library by doing community service Projects. Some of us did karaoke and talked until it was time for the second general session. We all had fun and connected as a region.
