THE

STATE OFFICER TEAM

State President Lydia Vasquez

About me!

Lydia Vasquez is a Senior from Region 8. Who has spent the past 3 years working on completing her Pathway in Child Development. Taking courses like Child Development, Children's Literature and Careers in Education. Lydia's discovered how critical Child Development is in a person's life and has been inspired to pursue a career within law to become a Family Law Attorney. When Lydia is not advocating for FCCLA competing in Mock trials or researching the latest documentaries or court cases she enjoys watching and rating horror movies and trying new dessert recipes, thanks to her obsession with Cake Boss. This year Lydia's ultimate goal is to inspire members to join and be involved in FCCLA as she has seen the difference and positive impact FCCLA has had not only on herself but her community. She hopes to lead California to new heights as she continues to stay ConneCTed with FCCLA.

First Vice President Yaretzi Salazar

About me!

Yaretzi Salazar is a senior from Region 7. She previously served as Region 7's Vice President and has been an active member of FCCLA for three years. During that time, she completed two years in the Apparel and Design pathway and is currently working toward completing the Child Development pathway. Outside of her red blazer, Yaretzi enjoys adventuring with friends or, when she's not out, she's relaxing at home with her cats and spending time with family. Her goal for this year is to inspire members to take small steps that lead to big change and to spread the message of what it truly means to be ConneCTEd.

VP of Community Service

Samantha Riché

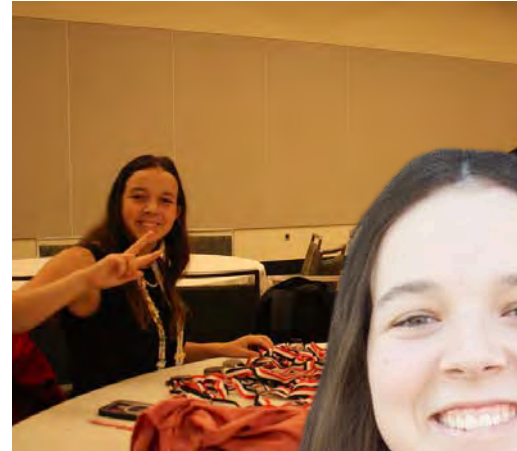

About me!

Samantha Riché is a junior from region 8. She has completed 2 FCS courses in the child development pathway. When Samantha's not in her blazer, she's either on the field or in the gym playing basketball and flag football for her high school. Besides FCCLA, you will see her on the mats for jiu jitsu or taking a stroll around town. Jasmine has two set goals this year: to increase FCCLA's visibility across the state and to reach new heights with her leadership skills. With these skills, Jasmine plans to open her dream bakery in the future on the East Coast.

VP of Development

Aiden Ho

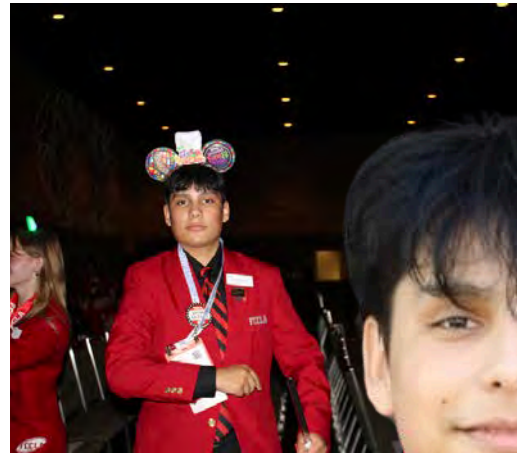

About me!

Aiden Ho is serving as the California Vice President of Development, bringing energy, creativity, and a strong commitment to growth into his role. A senior at John A. Rowland High School, Aiden is passionate about leadership and personal development, which he expresses through both his academic and extracurricular pursuits. He enjoys photography and videography as creative outlets, while also challenging himself athletically through track & field, cross country, and consistent training in the gym. Aiden plans to attend a University of California school to study business before continuing on to graduate school, where he aims to pursue a career in business law. He is driven by a desire to make a meaningful impact and continuously improve both himself and those around him. Whether he's leading, creating, or staying active, Aiden approaches everything with determination and purpose.

VP of Finance

Ben Hernandez

About me!

Ben Hernandez is a Senior from Region 3/5. Before becoming a state officer, he served as a region officer for two years. He has completed 3 years in Culinary Arts and some fun facts about him is that he loves to play video games and travel to new places. After high school he plans on attending his local Junior College and then transferring.

VP of Membership

Irene Gutierrez

About me!

Irene Gutierrez is a junior from Region 10. Prior to being a state officer, Irene was the 2022-2023 Region 10 Vice President, as well as the 2023-2024 and 2024-2025 Region 10 President. Her FCCLA and FCS journey began in middle school where she took Food Science. Outside of FCCLA, Irene is involved in many activities, her favorite being band. She is currently the assistant saxophone section leader and she plays alto saxophone, baritone saxophone, bass clarinet, and keyboard. Irene's goal this year is to reach the state's membership goal of 20,000 members, connecting even more students across the entire state.

VP of Parliamentary Law

Kayley Phan

About me!

Drumroll, please, for your 2025-2026 State Vice President of Parliamentary Law, Kayley Phan! A senior from Region 4, Kayley has been involved in FCCLA for three years and has taken Foods/Nutrition, Culinary Arts I, and Culinary Arts II. She's also no stranger to leadership, she has served in student government for four years, including as class president and currently as her school's Rally MC. Outside of FCCLA, you might find her on the track, volunteering in her community, or even hitting the books. A fun fact about Kayley is that she wants to learn how to play both the piano and her hot pink electric guitar. Her FCCLA journey this year begins with one mission; to inspire everyone she meets along her odyssey and help them feel connectEd through leadership, service, and purpose.

In the future she would like to become a pediatrician.

VP of Public Relations

Anna Lee

About me!

Anna Lee, a Senior from Region 9, is excited for her 5th year in FCCLA serving as California's State Vice President of Public Relations! She was once a Chapter Historian, Chapter President, and Region President and continues to walk down the path of her ultimate journey with enthusiasm. She took interest in architecture at a young age, leading her to take on the courses Architecture I and Advanced Architecture in high school. Outside of FCCLA, she plays competitively on her varsity tennis team, creates fun meetings at her high school's Creative Writing and Chinese Club as the president, and volunteers in her community during her free time. Communication and teamwork has played a tremendous role in Anna's busy life! When life gives her lemons, she either picks up a good book or goes out for a jog to clear her mind. At this stage in her life, Anna loves doing things independently, but she believes that everyone needs a good balance of self-sufficiency and quality engagement with family and friends! Her goals for this year is to inspire others to be open minded and encourage them to always make room for improvement as she leads with examples and stays ConneCTEd with FCCLA!

The word "MEET" is rendered in large, bold, black letters with a white, woodcut-style texture. The letters are set against a light gray background. The texture consists of numerous small, white, irregular shapes that appear to be carved into the black surface of the letters. The overall style is graphic and industrial.
