A. REVISIONS AND CHANGES

CALIFORNIA STAR Guide (C-STAR), 2023

The National STAR *Guide* is currently being updated by a committee of teachers/advisors, industry representatives, and STAR state-level assistants. The *C-STAR Events Guide, 2023*, will be available on October 15, 2023, to chapters on the California FCCLA website. Please refer to Item L in this section of the mailing for changes in specific events. **Please discard all earlier versions of the STAR or C-STAR Guide.**

Entry Procedures

The STAR online Web Entry System (WES) will be used for STAR entries for the 2023-2024 school year beginning November 15, 2023. Please refer to Item E in this section of the mailing for changes to STAR entry procedures.

B. ELIGIBILITY

1. Region Qualifying Competition

Only active FCCLA members from chapters in good standing with the association are eligible to participate in STAR. An active member is one whose name is listed on the chapter's current year membership roster on file at the FCCLA Financial Services Office. You may view status here [<https://tinyurl.com/yc4bnsdv>]

- Current chapters must affiliate by **November 1, 2023**, to have eligible competitors.
- New chapters and reinstated chapters (schools that were not affiliated the previous school year) must be affiliated before **January 16, 2024**, to have eligible competitors.

2. State Finals

Competitors with a minimum qualifying score of 60 in each event at the Region Qualifying Competition will be eligible to compete in STAR State Finals.

C. NUMBER OF ENTRIES PER CHAPTER

The total number of entries allowed per chapter is based on affiliated members.

Number of Members in Chapter	Maximum Number of Individual and Team Entries in STAR
12	6
13–15	9
16–20	12

NOTE: An “entry” means the following in this context: individual events and team events. Each individual student will be counted as ONE entry. All students may enter only one event; students cannot enter an individual event and also be part of a team.

D. NUMBER OF ENTRIES PER EVENT

The following table indicates the number of entries allowed for each FCCLA chapter per competitive event in Level 1 grades 6–8, Level 2 grades 9–10, or Level 3 grades 11–12. The total number of entries, however, cannot exceed the maximum number of entries per FCCLA chapter member quota listed above.

Individual Events	Unlimited Level 1 or Level 2–3 Entries

* Mixed-level teams are allowed but must compete at the highest level of the teams’ members. Some events will still have eligibility requirements requiring specific courses or program enrollment to be verified at the state level.

E. STAR ONLINE ENTRY SUBMISSION, FORMS, AND FEES

1. Due Dates

Competitor entries must be inputted on the WES no later than 11:59:59 p.m. Pacific Time on the posted deadline date as indicated below. Fees must be submitted to the FCCLA Financial Services Office by due dates designated for chapters that are **Current (Ongoing) or New or Reinstated**. Envelopes postmarked later than the specific due date indicated will incur late fees, as addressed in this mailer, and may not be accepted and processed.

Current, New, and Reinstated Chapters – Online Submission and Postmarked by January 16, 2024. Chapters are encouraged to process entries early, as this will ensure that your chapter does not incur unnecessary fees. Send completed fees to:

FCCLA Financial Services Office
P.O. Box 6
Galt, CA 95632

2. Procedure for Preparing and Submitting Entries

All entries must be submitted electronically on the online STAR WES. The number of hard copy forms that must be submitted with entry fees is minimal. The following information provides details about the process.

- (a) ALL entries (Individual/Teams) and completion of any required forms will all be completed through the special STAR WES website, which will be available on November 15, 2023. When the website is ready to accept entries, a link to the entry site will be posted on the FCCLA Advisor Log-In website at www.ca-

fccla.org. The entry system detailed directions and all forms will be available on the STAR page on the FCCLA website.

- (b) For all State Team Events (Baking and Pastry/Parliamentary Procedure), competitor names must be entered into WES by March 15 in order to participate in the State Finals Competition.
- (c) Complete directions for the submittal of electronic entries, required forms, and submission of fees will be provided on the FCCLA website, and limited directions are available in this mailer.

3. Entry Fees for 2023-2024

The fees will be as follows:

- Individual Events: \$25.00
 - Team Events: 1–3 team members - \$25.00 per person on the team
 - Baking and Pastry* (individual event in 2023) -- \$50.00 per person
 - Culinary Arts*: (individual event in 2023) -- \$50.00 per person
- * Fees for this event are attributed to the expenses related to facilities, travel, and logistics related to this particular event.

4. Dates by which deficiencies/problems with STAR must be resolved

- a. The last day for active/ongoing/new/reinstated chapters to submit STAR entries is January 11, 2023. There will absolutely **NOT** be any late entries accepted after this date.
- b. The last day for active/ongoing/new/reinstated chapters to resolve STAR entry deficiencies/problems for substitutes is **January 19, 2024**.
- c. Entries submitted that are incomplete, incorrectly prepared, postmarked after published due dates, or do not include sufficient funds to cover entry fees will not be processed until the deficiencies/problems are resolved.

A \$10.00 late fee will be incurred for each competitor and every incomplete, incorrectly prepared, late postmarked entry or insufficient funds to cover original entry fees.

- d. To avoid the risk of chapter members not being able to compete, chapter advisors should correct any deficiencies/problems as soon as they are notified by the FCCLA Financial Services Office. It is imperative advisors double-check their entries immediately upon registration. **The final deadline to correct deficiencies is January 19, 2024.**

- e. Any STAR entry, including a team or individual entry, that is deficient after the applicable deficiency/ problems correction date will incur a late fee and/or may not be allowed to compete.
- f. Advisors should carefully recheck all entry materials and fees for accuracy before submitting them online and to the FCCLA Financial Services Office to avoid any possible delay in processing.

F. ALTERNATES

Chapters may exercise the option of having an alternate team member in team events only. A student entered as an alternate cannot be entered as a competitor in any other event. Only the alternate member listed on the entry form may be utilized at any level of competition. No new alternates can be added, nor can substitutions for the alternates be made. Once an alternate team member participates, the team has the option of having the originally registered competitor return or the alternate compete at subsequent levels of competition. Participants may enter or serve as an alternate for only one team in any year. An alternate may only be entered one time. A \$15.00 alternate entry fee applies and is due no later than January 19, 2024.

G. SUBSTITUTION OF COMPETITORS

- All chapters—current (ongoing), new, and reinstated—that affiliate by the established deadline dates may submit substitutes no later than January 19, 2024, for Team Events only. A \$15.00 substitution entry fee applies.
- For chapters to submit the names of substitutes, the appropriate substitution entry must be made online in the WES, including the \$15.00 substitute entry fee for each competitor no later than January 19, 2024. The substitute may be a member who joined their local chapter after November 2, 2023.
- All electronic entries, forms, and fees must be posted online and/or postmarked no later than January 19, 2024. No **EXCEPTIONS** will be made to this deadline.

H. ADDITION OF NEW MEMBER COMPETITORS

If new members join their local chapter any time after November 2, 2023, up to January 19, 2024, and want to participate in STAR, advisors may submit the appropriate STAR electronic entry and fee(s), which must be preceded by online affiliation of the new members. The electronic submission and entry fees must be submitted/postmarked no later than **January 19, 2024**.

NOTE: Because of the online affiliation system, you will need to allow time between affiliation and STAR entry submission. It may take 24–48 hours for members to show up on your chapter roster in order to be allowed to sign up the member as a STAR competitor. Be sure to calculate this time in submitting your entries.

I. COMPETITORS WITH SPECIAL NEEDS

Participants with physical limitations, language deficiencies, or religious requirements who will need special assistance or would not be able to comply with any general or specific rules during competition must notify the state office, in writing, at least three (4) weeks prior to the date of the qualifying region and again prior to the state finals competition. In a letter or email, the STAR participant must indicate the type of assistance that will be needed for competition. Send the letter or email to:

California FCCLA
Family and Consumer Sciences Education
California Department of Education
1430 N Street, Suite 4202
Sacramento, CA 95814

NOTE: If an emergency occurs that would require a waiver after the three (3) week deadline, the advisor to the said participant must notify the State Advisor prior to competition. Once a decision is made regarding the waiver, the Region or State STAR Chairperson will be notified by the FCCLA State Office. Region Chairpersons are instructed to honor requests for waivers only if they are notified by the FCCLA State Office that the competitor is able to compete.
