# FCCLA Week

Feb 14th-18th

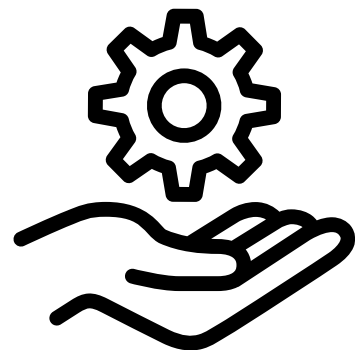

One of the most important dates in FCCLA is FCCLA week which took place on February 14-18, 2022. During this week, members across the State of California showcased how they are making their FCCLA story count.

**Monday** (Make Members Count): This is the day where members were able to express how FCCLA has affected them and how they will advocate in the future.

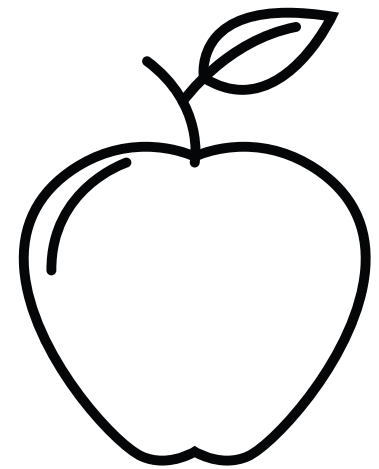

**Tuesday** (Make Service Count): Members across the state shared how they have influenced others and how others have impacted them through acts of service.

Feb 14th-18th

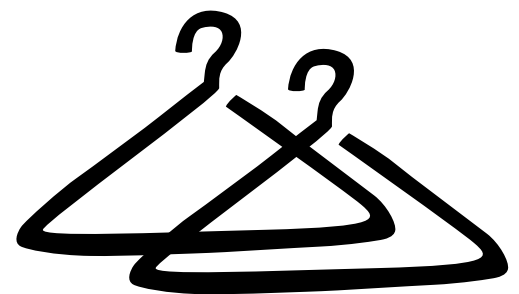

**Wednesday** (Make educators Count): For this day we take part in Family and Consumer Sciences (FCS) Educator Day by thanking the educators in your life and showing appreciation for all the things they taught you and your chapter.

**Thursday** (Make Skills Count): Share with others how FCCLA has allowed you to sharpen your skills for your future careers as well as your independent adult life.

**Friday** (Make FCCLA Count): Show off your FCCLA spirit and promote how FCCLA counts in your life! Rock the red and decorate your day with red clothing, signs, food, decorations, and more!

ce throughout my life has been as always been the one to do whatever I set my mind to. I'm grateful for her introducing me to FCCLA. I couldn't have been where I am today without her by my side. I love to partake in service events that come up, and it's a great way of interacting with your fellow members and building membership."

"FCCLA'S STAR EVENTS HAVE ALLOWED ME TO DEVELOP AND GROW MY SKILLS IN SEWING AND FASHION DESIGN, WHICH I PLAN ON USING IN MY FUTURE CAREER. I HAVE EXPERIENCE CREATING FASHION SKETCHES, DEVELOPING A FASHION LINE, AND SEWING A VARIETY OF GARMENTS. I FEEL PREPARED TO ENTER THE FASHION INDUSTRY!"

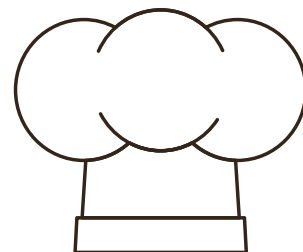

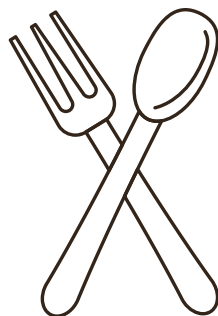

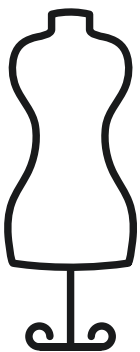

# Spring Meetings

---

Over the past few months, the regions within our California Association had the opportunity to hold their first in-person Spring Meetings in two years.

At spring meetings, members were able to compete in STAR competitions and even run for region office. Besides competitions and elections, the region officers led interactive workshops and community service projects. Through participation in these meetings, members were able to hone in on new skill sets and gain confidence in our association as a whole. It was amazing to see everyone back in person and the State Officer team is excited to see what the future has in store for every advisor, member and officer.
